

# US Open

## America's Grand Slam turns 50!

**August 27**  
through  
**September 9**

**Billie Jean King  
National Tennis Center**

**Queens, New York**

Be a part of **US Open** history, as the event celebrates its **50th Anniversary**. Having hosted greats like **Andre Agassi, John McEnroe, Billie Jean King, and Steffi Graf**, there will be many legendary matches to look back on while current-day stars take to the courts.

To celebrate 50 years, the **Louis Armstrong Stadium** remodel will be revealed. It is still the second largest court, but it now **accommodates 14K**, features a beautiful **retractable roof** (to hold night sessions), and **upgraded restrooms & concessions stands**.

### **Which players are favored in 2018?**

Men: Rafael Nadal, Roger **Federer**, Novak **Djokovic**, Juan Martin del **Potro**.

Women: Simona **Halep**, Caroline **Wozniacki**, and 2017 US Open champ, Sloane **Stephens**.

### **What else is new this year?**

A brand new *modern* logo!  
Plus, new rules to improve the pace of play: Players have only **25 seconds to serve** the ball, warm-ups are limited to **7 minutes**, and **coaches may no longer communicate** with their players during matches.
